

Dr. Jürgen Reinhart

Chief Underwriter Cyber
Munich Re Group, Munich

Dr. Reinhart started his career at Munich Re Group in 1996. Since then he has worked in several technical and managerial positions at Munich Re.

Before he took over the role as Global Head of Cyber for Munich Re Group, he was the Chief Underwriting Officer Non-Life. In his current role he is responsible for setting the global cyber strategy for the group as well as the risk management in respect of cyber. Dr. Reinhart is deputizing the Chief Underwriter for the Reinsurance Group. He studied mathematics and did his PhD in aerospace engineering. Since 2000 he is a qualified actuary and a member of multiple boards in the German Actuarial Association (DAV).
