

Itai Benartzi

**Head of Policy Advancement, Policy Division
Israel Nation Cyber Directorate (INCD)**

Prime Minister Office

At his current position as the Head of Policy Advancement, Itai is leading the national effort towards financial preparedness for cyber related losses, focused on the Cyber Insurance Market as the main leverage for private sector preparedness.

Itai has significant experience in public strategy, public policy design and evaluation. Prior to his current role Itai served as Head of Policy Design at the Israeli Ministry of Education.

Itai holds an M.P.P in Public Policy from the Hebrew University of Jerusalem, and is a graduate of the prestigious Israeli Civil Service Cadet Program.
